

Best Western Hotel Bristol can be many different things to many different people. For some this family owned and run Hotel by the sea is the ideal location from which to explore the delights of the Duchy, with its many picturesque coastal villages, spectacular cliffs and rugged moorland. Others see it as just the place to get away from it all or even the perfect venue for their business meeting, conference or dinner dance.

Since 1927, four generations of the Young family have built up an envied reputation for service and hospitality. They continue to be closely involved in the day-to-day running of the hotel, maintaining the friendly service that our guests have come to expect. We are a haven for those in search of the solid values of space, comfort and courtesy.

Leave A30 at Highgate Hill onto A39 then follow A392. At Quintrell Downs roundabout turn right onto A3058 - Signposted "Newquay (Porth) - Watergate Bay - St Columb Minor". Straight on for 2.5 miles along Henver Road and Narrowcliff.
